

COLLEGIATE OFFICER QUICK GUIDE

vp: programming

vp: programming serves on the chapter management team (CMT). Based on chapter committee structure and size, the vp: programming works with *(or fulfills the responsibilities of)*: the director of senior programming, the director of alumnae relations, the director of DG Dialogues and a programming committee. Chapters that have successful programming delegate and share the responsibilities. This spreads the love of programming, which is the heart of the chapter!

DIVE DEEPER

- Regularly **survey your chapter members** to learn what kind of programs they are interested in having.
- Ever wonder why you are hosting a certain program? If a program or event doesn't support Article II, it's time to brainstorm for something new.
- Questions? Email DG's Director: Programming at Programming@deltagamma.org.
