## **6. Policy Statements.**

Any collegiate or alumna member may submit a written summary of the reasons against the proposed action or in defense of the proposed action which must be read by all members of Council before action is taken.

Henceforth, for the purposes of this policy and the Collegiate Chapter Closure Procedure, this time frame shall be defined as the 60-Day Review Period.

- i. The following reasons would constitute grounds for the closure of a collegiate chapter:
  - 1. Charter Withdrawal/Suspension: University/College Requested.
    - a. The withdrawal/suspension of a collegiate charter is considered by Council when the college administration requests that the chapter be removed from the campus.
    - b. In the event that an institution requests that Delta Gamma withdraw/suspend a collegiate chapter on its campus or the institution decides to no longer recognize the chapter as an association of that institution, the Council of Delta Gamma Fraternity will consider the withdrawal/suspension of a collegiate charter.
  - 2. Charter Withdrawal/Suspension: NPC/Fraternity Standards.
    - a. The withdrawal/suspension of a collegiate charter is considered by Fraternity Council when the institution at which the chapter is located no longer meets the requirements of the National Panhellenic Conference or the Delta Gamma Fraternity.
  - 3. Charter Withdrawal/Suspension: Policy/Procedural Compliance.
    - a. The withdrawal/suspension of a collegiate charter is considered when: the chapter fails to comply with the requirements of the Constitution, policies and procedures of the Fraternity; the personnel or general conditions of the chapter are below the standards of the Fraternity and all efforts to improve conditions have proved to no avail; and/or it appears that the interest of the Fraternity will be served by removal of the charter.
    - b. In the event that significant, pervasive, or egregious risk management concerns are present, the withdrawal/suspension of a collegiate charter is considered when it appears that the interest of the Fraternity will be served by removal of the charter.

#### 4. Charter Relinquishment

- a. To relinquish its charter for any reason, a collegiate chapter shall take a vote of its members in accordance with Fraternity policy. If the vote is passed, formal notification of the relinquishment of the charter shall be sent immediately to Council, where they shall consider the acceptance or denial of the relinquishment request. If accepted, the 60-Day Review Period would follow as defined in this policy.
- b. In order for a collegiate chapter to take a vote of its members in accordance with Fraternity policy, the voting procedures outlined in the chapter's Bylaws and Standing Rules, including meeting the defined quorum, must be followed. Any voting procedure that is not outlined in the chapter's Bylaws and Standing Rules shall be governed by Robert's Rules of Order.
