ANCHOR SCORE

The Anchor Score (Anchor Score Round Type) can only have one pre-score submitted per PNM. You will use three categories when completing the Anchor Score. You will need to turn ON all three categories for your Anchor Score round. To turn ON the categories, click on Settings > Categories and scroll down to Anchor Score Round. You will then toggle ON all categories. If you have concerns about accurately completing any of these categories, please discuss this with your RCRS/CRC/NCRC.

Pre-scores can also be uploaded via an excel spreadsheet. Make your category selections first then click on the Blue (+) symbol at the bottom right of your screen and click Import Votes. The spreadsheet must be completely filled out with no empty cells under the column headers. You will need to make sure the columns are labeled, and the PNM ID is in the first column, followed by the correct category scores.

Import Votes

1. Format spreadsheet in Excel for the columns below

- * The first row of the uploaded spreadsheet will be omitted
- * The columns of the uploaded spreadsheet should match the columns below

2. Select spreadsheet

INTERACTION SCORE

The Interaction Scores (Standard Round Type) will be setup for each round. You will need to turn ON/OFF the categories you want for each round. You can turn on/off the categories at the beginning of each new priority round. To turn ON/OFF categories, click on Settings > Categories and scroll down to the Standard Round. You will then toggle ON/OFF the categories you want for the current round.

When you're ready to vote for these rounds, turn voting on for the current round and you will see the categories you have chosen on the vote card. Members who talk to a PNM during a Standard Round Type will vote using the appropriate category. See the breakdown below:
