SELECTING CAB MEMBERS

- The Director: Chapter Development will review all applications for the CAB, as well as any information from each applicant's advisory team chairman (ATC) or Honor Board adviser (HBA) through the [required ATC/HBA certification](#). Applicants who are not in good standing will not be considered. Members who are individually in good status, but whose chapters may be in poor standing with the Fraternity, are still eligible to apply.
- You must be an enrolled student through December 2022. Applicants who are on Excused Status at any point during the year are still eligible to serve on the CAB, provided they can commit to making the calls.
- The Director: Chapter Development will then convene a selection committee, consisting of herself and three Fraternity volunteers, to review the applications and select CAB members.
- A range of two to three applicants will be selected from each region, approximately 20 in total. In order to create a truly representative Board, an effort will be made to include:
 - Freshmen, sophomores, juniors and seniors who will have a 5th year;
 - Both officers and non-officers;
 - Members from semester and quarter schools;
