2022 Regional Training Days (RTD) Chapter Track Assignments

VIRTUAL EVENT | FRIDAY, FEBRUARY 4 – SATURDAY, FEBRUARY 5, 2022

All chapter management team (CMT) officers are required to register to attend RTD.

On Saturday, February 5 CMT officers will attend CMT Officer Position Track training. Officers should attend the track for the position they hold on their CMT to learn alongside others who serve in the same role at similar chapters.

During event registration, you will be prompted to select the sessions you wish to attend during RTD. As a CMT officer it is your responsibility to know which CMT Officer Position Track training you will need to register to attend. There are three tracks: Bronze, White and Navy. Sessions will be titled by the name of the CMT officer position, followed by the track. For example:

- president Position Track Bronze
- president Position Track White
- president Position Track Navy

Tracks are assigned to each chapter. The list below includes all chapters, in alphabetical order, in a color-coded format. The color of your chapter indicates the track you will attend, alongside the position you hold. Please be sure to review the list below prior to registering for RTD so that you know which track you should select during registration.

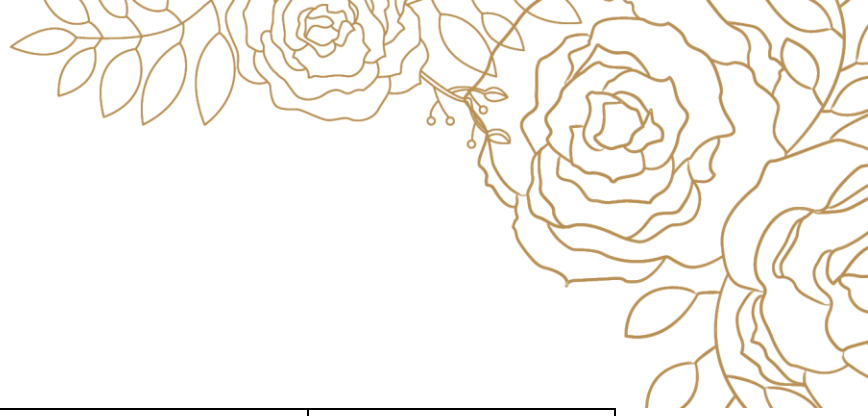

On Friday, February 4, you will attend the Regional Meeting for the geographic region in which your chapter resides. This meeting is hosted by your Regional Director (RD) and will provide you the opportunity to engage with other chapters in your region and the volunteers who support you! During registration, you will select your region's meeting to attend. Your chapters' region can be found in the list below.

If you have any questions on which track your chapter will attend, please email dgevents@deltagamma.org.
