Delta Gamma Corporate Travel Rewards Numbers

Delta Gamma is now enrolled with **Delta Airlines SkyBonus** and **American Airlines Business Extra** rewards programs. When booking Delta Gamma-related flights on either of these carriers, please ensure you input our account numbers in the appropriate sections during the booking process. (If booking through Canyon Creek Travel, they already have this information and will apply the appropriate numbers.)

- Delta SkyBonus – US0087810
- American Airlines Business Extra – 942871

If at any point you forget to input your account number when booking either airline, you can forward your booking confirmation to dgevents@deltagamma.org to have the flight credited to the account. **This will not replace any personal rewards or miles you may earn**. This is in addition to personal rewards programs and helps support Delta Gamma.

BOOKING WITH DELTA:

When booking with Delta, the input field for the SkyBonus Account Number is located at the bottom of the Passenger Information screen. You will click the checkbox for "My company is a corporate rewards program member." You will then be able to input the account number (**US0087810**) in the Member Number field.

BOOKING WITH AMERICAN AIRLINES:

When booking with American Airlines, the input field for the Business Extra account number is located at the bottom of the Passenger Information screen, under the field labeled "Business Extra/On Business." Simply click and input the account number (**942871**).

If you have any questions, please email dgevents@deltagamma.org.
