ANCHORED PRINCIPLES

2020-2022 Nominating Committee developed a three competency assessment – the Anchored Principles – that will guide our decision-making over the biennium. While these three key principles are not intended as a list of criteria or requirements, the Anchored Principles represent qualities to consider in a potential Council Trustee, along with those who live by our beloved Article II.

Article II: The objects of this Fraternity shall be to foster high ideals of friendship among women, to promote their educational and cultural interests, to create in them a true sense of social responsibility, and to develop in them the best qualities of character.

The search for the 2022-2024 Delta Gamma Fraternity Council has begun. We need you to nominate alumnae who exemplify the qualities of a Delta Gamma Council member. Nominations are open July - through December 10, 2021.
