

## Driver Agreement For Events Without Alcohol

- If a chapter would like to have members drive to and from an event without alcohol, they may do so, with the approval of the ATC. In addition they must follow our driver agreement.
- Every term, each member who is willing to serve as a driver for an event without alcohol must sign a driver agreement. These forms should be kept on file by the vp: social standards.
- Once the driver agreements have been collected for the term, the vp: social standards should share the list of drivers with JCMT.
- When planning an event, the event chair should have all drivers and passengers sign-up prior to the event on the “Delta Gamma Driver Agreement-Event Sign-Up”. The event chair should verify that all drivers have signed the driver agreement.
- The “Delta Gamma Driver Agreement-Event Sign-Up” should be uploaded to e-Ops+ as part of the Post Event Summary.
