## Delta Gamma Saddened by the Loss of Collegiate Leader Hailey King, Nu-Idaho

COLUMBUS, OHIO [September 4, 2020] – It is with great sadness that we announce the passing of collegiate member, Hailey King, Nu-Idaho. Hailey passed away on August 28, 2020, after injuries sustained in a tragic car accident while returning to campus for the fall term.

Just 20 years old, Hailey was actively involved in Delta Gamma, serving on her chapter's Honor Board and living in the chapter house. She was studying Animal and Veterinary Science at The University of Idaho and enjoyed agriculture and farming. Outside of academics and Delta Gamma, Hailey also loved playing soccer and had many lifelong friends from the sport.

Fraternity President, Wilma Johnson Wilbanks, shares, "A shining example of what it means to be a Delta Gamma, Hailey's vibrant, positive ways greatly contributed to our sisterhood. Known for her strong leadership, we are changed for good because of Hailey. My most heartfelt sympathies go to Hailey's family, friends and the Delta Gamma sisters who love her and will hold her in our hearts forever."

While arrangements will be held at a later time, Nu chapter of Delta Gamma is currently working to raise funds to support Hailey's family with the medical costs from her accident. Hailey's obituary may be viewed [here](#).
