

## Founders Day Video

On March 15, 2022, we celebrate 148 years of proven hope in Delta Gamma. Sisters around the world are gathering virtually to unite in their shared love of our do good sisterhood. This video is presented by our Fraternity Council and Foundation Board of Trustees, sharing the official remarks for this year's Founders Day celebration.

If you are inviting a member of Fraternity or Foundation Leadership to speak at your event, please do not show this video as part of your Founders Day celebration, as the remarks will be very similar. Instead, we recommend showing the [Brand Anthem video](#).
