

COLLEGIATE DIRECTOR QUICK GUIDE

director of social awareness

Chapters with more than 75 members should have a director of social awareness, though smaller chapters may also choose to have this position. The director of social awareness reports to the vice president: social standards and serves on the joint chapter management team (JCMT). They educate the chapter about social responsibility and help them become more socially aware. Depending on chapter size and structure, the director of social awareness oversees a social awareness committee.
