

**Volunteer Services Agreements
Email to House Corporation Board Members on July 20**

Greetings, House Corporation Board Members,

Thank you for all that you do to create welcoming and comfortable community spaces for our collegiate chapters! We truly appreciate the time and talent you give to Delta Gamma each and every day.

This year, Delta Gamma is launching volunteer service agreements for all local volunteers. These agreements are identical to a component of the volunteer service agreements that are signed by all members of Leadership upon stepping into their roles. All local volunteers, including all house corporation board members are being asked to sign these agreements.

These agreements can be accessed in [Anchorbase](#) at the following path: Roster > Tasks > Fraternity Local Volunteer Service Agreement

We ask that all house corporation board members sign these agreements no later than August 10. Please be sure to indicate all volunteer roles that you hold using the drop-down menu on the form. Any questions can be directed to Assistant Director for Volunteer Management Lauren Utley, at Lauren@deltagamma.org.

In the Bonds,
Delta Gamma Fraternity
