1 minute	<p>Facilitator opening: <i>This workshop is meant to help us explore Delta Gamma's value of Social Responsibility. In this activity, we will have an opportunity to define what social responsibility is and how we see social responsibility displayed throughout the chapter.</i></p> <p><i>This exercise is meant to be reflective, but you can also choose to make up answers to questions you are asked in order to provide practice for all of us. During this first activity please find a partner who is not in your member class or part of your "family."</i></p>	
15 minutes	<p>Pair and Share - Definition of Social Responsibility</p> <p>After providing the framework of the workshop, allow participants to find a partner (preferably someone that they do not share as much time with) and take turns addressing the following questions. <p>10 minutes</p>	<p>Large Group Reflection</p> <p>After completing the pair and share activity, ask the group to sit together and then facilitate a discussion utilizing the prompts below. The goal of this discussion is to reflect on what was learned about social responsibility in action, how it is displayed within the chapter, and begin to discuss how we identify this value during recruitment.</p> <p>Ask:</p> <ul style="list-style-type: none"> -What did you think about that activity? How did discussing the value of social responsibility make you feel? - When have we seen our members display socially responsible behavior? - How do we share the value of social responsibility with PNM's? <p><i>During the next small group activity, we are going to spend some time discussing how we share our value of social responsibility, as well as what we need to ask in order to identify if a PNM cares about this value and in what ways she displays it.</i></p>	
<p>15 minutes</p>	<p>Small Group Activity- Identifying Social Responsibility within PNM's</p> <p>Encourage members to break into smaller groups (5-7) to share responses on identifying social responsibility within PNM's.</p> <p><i>The idea of talking about social responsibility may seem like a challenging task, especially to women whom you have (possibly) never met. However, as Delta Gamma women, it is our responsibility to ensure that we provide a safe, welcoming environment for all members and new members alike. Therefore, during recruitment conversations, we must find what the value of social responsibility means to the PNM as well as articulate why this is a shared value.</i></p> <p><i>Synonyms/ (similar words) for social responsibility include the following: Citizenship, Accountability, Social Awareness, Social Obligation</i> <i>Does anything in this list surprise you? Why or why not? Would you add any additional phrases?</i></p> <p>Evenly distribute synonyms among small groups so each small group focuses on one of the topics. <i>Within your small groups, please discuss the following:</i></p> <ul style="list-style-type: none"> - <i>Citizenship; sharing about their involvement within their local town/city and their level of engagement with matters that may or may not personally affect them.</i> <ul style="list-style-type: none"> - <i>What questions can we ask?</i> - <i>What are some responses that would warrant a higher score?
