

Paying Your Alumnae Dues

Annual Per Capita Dues & Loyally Anchored Lifetime Dues

Remind me: Did I already pay dues this year?

You can view this information on your member profile! Log in to deltagamma.org and click the box containing your email address at the top of the page. Choose "Profile" to see your dues payment history.

Executive Offices processes dues payments weekly. If your "paid through" date is not updated and your payment was made less than a week ago, please be patient as this will be updated soon. If your payment was made over two weeks ago and it is not showing on your profile, email alumnaedept@deltagamma.org.

Remember, our fiscal year is July 1 through June 30.

When do I no longer owe per capita dues?

Those who have been members of Delta Gamma for 50 years or are participants in our Loyally Anchored lifetime dues program are no longer asked to pay annual alumnae per capita dues. Length of membership is calculated from a member's Initiation date, not their pledge date or graduation date.

Are there local alumnae group dues?

Yes! Most alumnae groups accept online payments, which you can access via your personalized payment link. For other payment options, contact your local alumnae group. Contact info for each group is found in the Chapter Locator on the Directory tab of members.deltagamma.org.

Can I sign up for automatics dues payments?

For members who prefer to pay their annual per capita dues, this functionality is coming soon!

For participants of our Loyally Anchored lifetime dues program, payments made in the form of installments are available for those who do not wish to pay in-full upon enrollment in the program.

Paying Your Alumnae Dues

Annual Per Capita Dues & Loyalty Anchored Lifetime Dues

What happens if I don't pay my per capita dues?

Alumnae are asked to pay per capita dues each fiscal year until they reach 50 years of membership. However, we understand that sometimes a member forgets to pay or enters into a season of life that prevents her from paying dues. Members do not lose alumnae standing in Delta Gamma if they do not pay dues, and we do not require alumnae to pay back dues they may have missed, but we do encourage members to begin paying again as they are able.

I paid my dues, but I still received an email or mailing. Did you receive my payment?

If you have paid your dues in the last few weeks, please disregard the dues communication you recently received. Oftentimes distribution lists are created while dues payments are being processed, and members who have recently paid still receive the reminder to pay. If your member profile shows that you are paid through the end of the current fiscal year, then we have your payment!

I went to pay my dues but was directed off the Delta Gamma website to memberplanet. Is that correct?

Yes, memberplanet is our trusted partner for dues collection. Online payments for the Fraternity and local groups are collected by our vendor memberplanet and then processed by Executive Offices. Contact memberplanet directly with questions at support@memberplanet.com.
