# Will you Anchor the Future of Delta Gamma?

We know Delta Gamma  
has stood the test of time

Together with Delta  
Gamma Fraternity, the  
Foundation is embarking  
on the largest fundraising  
campaign in our history.

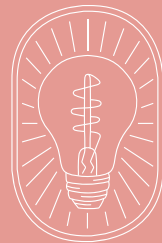

# **Anchoring the Future**

The Campaign for Delta Gamma

With a goal of inspiring a true sense of belonging and advancing opportunities for all members to put purpose to practice, **Anchoring the Future: The Campaign for Delta Gamma** will ensure the future of our sisterhood for the next 150 years. Four Campaign Pillars will guide our efforts.

## Training and Programming

When you support initiatives in the areas of health and well-being, social responsibility, and leadership, you're preparing your sisters to be advocates for themselves and others. You'll foster high ideals of Delta Gamma, no matter your age or stage in life.

## Individual Member Support

Delta Gammas are steadfast in their commitment to help each other, especially in times of trouble. Your investment in scholarships, fellowships, and crisis grants will provide access for collegians and alumnae alike as they face ever-increasing costs of education and unexpected life events.

## Heartfelt Giving and Philanthropy

Delta Gammas are there for one another and people living with blindness or other vision loss – we redefine the path for those who come next. Supporting areas of greatest need and Service for Sight will provide those we serve with the tools they need to achieve their full potential.

## Capital Initiatives

Delta Gamma has a long-standing history of professionalism and service. To honor our past and build a strong future, a Leadership Training Center, expanded archives, enhanced executive offices, and learning spaces in chapter houses will create facilities that empower all sisters to stay connected for good.

We are the
