SELECTING CAB MEMBERS

- The Director: Chapter Advancement will review all applications for the CAB, as well as any information from each applicant's advisory team chair (ATC) or Honor Board adviser (HBA) through the [required ATC/HBA certification](#). Applicants who are not in good standing will not be considered. Members who are individually in good standing, but whose chapters may be in poor standing with the Fraternity, are still eligible to apply.
- You must be an enrolled student through December 2025. Applicants who are on Excused Status at any point during the year are still eligible to serve on the CAB, provided they can commit to making the calls.
- The Director: Chapter Advancement will then convene a selection committee, consisting of herself and additional Fraternity volunteers, to review the applications and select CAB members.
- To create a truly representative Board, an effort will be made to include:
