

Delta Gamma The Pursuit FAQ

What is The Pursuit?

The Pursuit is Delta Gamma's learning management system (LMS). The Pursuit will be the hub of all virtual training and education for the Fraternity.

What is a learning management system?

A learning management system (LMS) serves as the host/platform of eLearning content. An LMS:

- Is accessed through a web browser.
- Helps organizations manage training events, self-paced courses and blended learning programs.
- Tracks and reports on training activity and results.

How do I access The Pursuit?

[Log in here.](#)

Use your Delta Gamma username and password to log in. This will be the same username and password you use to log into Anchorbase and members.deltagamma.org.

You will access your assigned content in the Learning Center.

Watch [this video tutorial](#) on accessing and navigating the platform.

If you have any issues, please reach out to learning@deltagamma.org for assistance.

What do I do after I login?

Upon logging in, you'll be directed to the home page of The Pursuit. On this page, you'll see the following:

- View all learning items
 - You'll be able to see any currently assigned learning activities, courses/modules.
- Learning Center
 - Click this to see all learning activities you're enrolled in and optional courses you can participate in.

The Pursuit
