DELTA GAMMA OPERATIONS

► Executive Offices Renovation

There are still meaningful naming opportunities available for your chapter within Delta Gamma's beautifully renovated Executive Offices- an inspiring space that celebrates our sisterhood's history and future. We are excited to share this once-in-a-lifetime chance with you and hope you're excited about the possibility of having your chapter's name recognized.

To see additional information on what naming opportunities remain and to learn more about the renovation, please visit our [Recognition Opportunities](#) page on our website.

DELTA GAMMA FRATERNITY PROGRAMMING

► Collegiate Development Consultant Program

Delta Gamma Collegiate Development Consultants (CDCs) are recent graduates whose full-time responsibility is to support our collegiate chapters across the United States and Canada. Chapter gifts to the CDC program would assist in ensuring that all chapters can continue to benefit from consultant support.

► Leadership Programming

We are committed to providing transformational leadership education that equips members with the skills and confidence to excel during their collegiate years and beyond. Chapter gifts to leadership programming empower Delta Gamma to continue expanding in-person leadership development opportunities that inspire personal growth, foster connection, and cultivate lifelong leadership such as the Lewis Institute.

Your chapter's support helps ensure that every Delta Gamma has access to meaningful experiences that shape her future and strengthen our sisterhood for generations to come.

► Health and Wellbeing

Chapter gifts supporting Health and Wellbeing are essential in helping to develop and expand programs that support mental health, promote resilience, and foster a culture of care.

Your generosity allows Delta Gamma to provide members with meaningful resources and educational initiatives that empower our sisterhood to thrive both personally and collectively during their collegiate experience and beyond.

To discuss these programs or other Fraternity Programs, please contact Director of Training, Development & Member Experience Kendall Niccum at Kendall.niccum@deltagamma.org.

APPROVED CHAPTER EXPENSE

► Your Chapter's Milestone Anniversary

Celebrate your chapter's 10th, 25th, 50th, 100th or other milestone anniversary by inviting alumnae to your special event.

Using Your ACCUMULATED SURPLUS

DELTA GAMMA FOUNDATION

► Loyalty Fund Donations

Provide vital funding to all Foundation Areas of Support, including the areas of greatest need.

► Service for Sight

Fund grants to organizations serving individuals living with blindness or vision loss, including the Five Delta Gamma Schools for Children with Visual Impairments.
