Individual Member Support

Endowments and annual gifts allow the Foundation to award merit-based scholarships and graduate fellowships to members, as well as provide financial assistance through Sisters Helping Sisters: Need-Based Scholarships and to members in financial need through Crisis Grants.

Merit-Based Undergraduate Scholarships

Merit-based scholarships are awarded on a competitive basis to qualified, initiated members pursuing undergraduate degrees.

Merit-Based Graduate Fellowships

Graduate fellowships are awarded on a competitive basis to qualified, initiated members pursuing graduate/professional degrees.

Sisters Helping Sisters: Need-Based Scholarships

Delta Gamma need-based scholarships are for collegiate members who have proven financial need.

Crisis Grants

Crisis Grants help Delta Gamma members who find themselves in an extreme financial need created by job loss, health crisis, natural disaster or other unexpected circumstances.

Training and programming

Gifts to Training and Programming provide opportunities for collegians and alumnae to develop their leadership, mentoring and professional skills. These programs also provide assistance and resources as members tackle tough realities of life, like the effects of alcohol use, sexual violence prevention and survivor support, and attention to mental health.

Delta Gamma is shaped by our Culture of Care, and our Training and Programming initiatives reflect this commitment in action. Among Delta Gamma's key initiatives are:

Social Responsibility • Health and Well-Being • Leadership Development

Service for Sight

Our philanthropy, Service for Sight, supports the five Delta Gamma Schools for Children with Visual Impairments as well as other North American organizations that promote sight preservation and conservation. Service for Sight has been at the heart of the Delta Gamma mission since 1936 when a member who was blind, Ruth Billow, Eta-Akron, petitioned to adopt it as our official philanthropy.
