

# Leda Health Partnership Services

Delta Gamma Fraternity is thrilled to announce our new organizational partnership with Leda Health. This collaboration aims to equip our collegiate members with the essential resources, education and support related to sexual misconduct prevention and survivor support. Leda Health's mission to meet survivors where they are and provide them with the options and autonomy they deserve aligns seamlessly with promoting Delta Gamma's [Culture of Care](#) and members feeling supported and safe wherever they may be. To learn more about Leda Health, please visit their [website](#).

## LEDA HEALTH SERVICES

### User Portal

A comprehensive portal offering resources related to sexual misconduct prevention, support and care. Members can engage with Leda Health's educational content and resources, including a Q&A section, texting services and a 24/7 sexual misconduct support line.

### Educational Programming

*Note: These topics may be triggering to some – a notice is provided before every educational program.*

Over 10 hours of content on topics such as sexual misconduct, consent, intimate partner violence, Title IX rights, bystander training, the real cost of sexual assault and the unique challenges and opportunities presented by Greek Life.

Additionally, Leda Health provides case studies addressing realistic scenarios faced by Greek chapters, aiming to enhance bystander intervention and understanding of various types of sexual misconduct.

### Risk Reduction eCommerce Platform – [Access Here](#)

Delta Gamma has partnered with Leda Health to provide a range of essential products, treatment services, and tools for sexual violence response and prevention to its members. Delta Gamma does not require its chapters or members to purchase any products listed on this platform. Additionally, Delta Gamma does not receive any royalties or commissions from the sale of products on this platform. These products are solely offered to support members by promoting prevention, protection, and peace of mind.

## USER PORTAL ACCESS DIRECTIONS

Specific CMT officers will be given access to the Delta Gamma Leda Health User Portal:

- chapter president
- vp: social standards
- vp: programming

These officers will receive an invitation directly from Leda Health to access the user portal.

If a new CMT officer in any of these roles begins in the middle of the term, please contact the assistant director for health & well-being, Kollin Fitzpatrick at [kollin.fitzpatrick@deltagamma.org](mailto:kollin.fitzpatrick@deltagamma.org).

*Note: Please check your spam/junk folder for this invitation. If you do not receive an email, please contact [support@leda.co](mailto:support@leda.co) for assistance.*
